Answers Clue 1

Answer the maths statements and colour in the answer in the table below. Use the coloured words to put into a sentence and work out the first clue.

1 nose	2 snow	3 hat	4 winter	5 was	6 man
7 small	8 carrot	9 child	10 scarf	11 here	12 and
13 before	14 throw	15 the	16 cold	17 help	18 came
19 stolen	20 thief	21 reach	22 gloves	23 now	24 tall

10 + 5 = **15**

4 × 2 = **8**

11 + 9 = **20**

20 – 15 = **5**

12 × 2 = **24**

Clue: The carrot thief was tall.

Answers Clue 2

Solve the maths statements. Colour the odd answers blue and the even answers red. If there are more odd answers than even ones, the thief is male. If there are more even than odd, the thief is female.

10 + 7 = 17 18 – 3 = 15 10 + 10 = 20 50 – 4 = 46

28 + 4 = 32 40 + 1 = 41 27 – 4 = 23 30 + 3 = 33

Most of the answers are **odd**.

Clue: **The thief is male.**
