DRAGON BOAT RACE

On Sunday 21st September a group of FOBS members and friends are competing in the Dragon Boat Race on the River Avon!

We are feeling even more competitive than last year (and have even roped in lots of Dads this year) and we will do our very best to have fun whilst raising money for such worthy causes!

We have already reached our initial compulsory fee, that goes to Shakespeare Hospice, so anything we raise now is purely for FOBS!

We are asking for any donations, big or small, so please click on the QR code and donate what you can – as always we really appreciate your support!
