Location & Weather

Arete is a centre for outdoor activities and learning located in Snowdonia's National park. It is in a prime position for all activities as it is close to

mountains, gorges, mines, beaches and much more. In addition to this, it has a range of weather making it perfect for all different activities, like water sports when it is sunny and hiking when it is damp.

Accommodation & Facilities

Many people worry, that when on a residential it will have terrible accommodation, but if you choose to stay at Arete then you do not have to worry. Aretes' dormitories are always clean, hygienic and comfy places, perfect for relaxing in. The games room also offers a place to play pool and table football while also offering sofas to hang out on with your friends.

Activities & Instructors

All instructors are fully qualified and have experienced all types of weather and activities and always super fun and inclusive. Every activity is designed to be fun and push you out of your comfort zone but you do not have to participate if you do not want to. Some activities include:

- Rafting
- Gorging
- Abseiling
- Hiking

Food & Mealtimes

The food at Arete never fails to impress those who stay there. They provide you with two hot meals a day plus cereal and pack lunches. At mealtimes, there are two servers who (can you guess?) serve the rest of the table and help out.

Benefits

Whilst staying at Arete, there are many skills– besides the physical ones– that can be learnt. Responsibility is something you may not have a lot of at home but whilst there you will learn how to be more responsible. There are duties like cleaning the mini buses and drying up. Tolerance is another skill you may learn or expand on, as you as you will have to be tolerant of the people in your group and dorm. Kind-ness is also a key skill(that will not be new) to show at Arete.
