Ready, Respectful, Safe

26 June 2026

Headteacher's Message

Dear Parents and Carers,

I had to start with this lovely story - Reception hosted a wonderful Generation Day picnic last week, bringing together children, grandparents and special family members for a memorable afternoon of fun and connection. It was great to see so many families joining us, with one dedicated grandparent even travelling all the way from London to spend the day with us.

Thank you to everyone who attended and helped make the event so special. The smiles, conversations and shared memories truly made it an afternoon to remember!

Mark Szortowski
Headteacher

News

Water Workshop

As part of their Dimensions topic, Year 5 took part in an engaging water sustainability workshop delivered by Severn Trent. The children learned about the importance of protecting our water supply and explored practical ways to reduce water waste in everyday life, such as turning off the tap whilst brushing their teeth. Through a range of hands-on activities, pupils investigated the water usage of different families and calculated whether they were "water savers" or "water wasters". The workshop encouraged pupils to think about their own water usage, inspiring them to make changes.

Sports Day

A huge thank you to all our families for making Sports Day such a terrific occasion. There was so much love, laughter and encouragement on display, and it was fantastic to see everyone enjoying the day together. A special thank you to our brilliant FOBS team, who did a great job keeping everyone refreshed throughout the day. From cheering on the side-lines to celebrating every success, it was another reminder of what a special community we have at Bridgetown School. Many congratulations to Sapphire House, who were overall winners!

Bicycle Bus Success

Our Bicycle Bus continues to go from strength to strength, with an amazing 24 riders taking part last Friday morning. The journey ran like clockwork, and it was fantastic to see how confidently and safely the children are now riding together. One lovely moment came at the end of last Friday's ride, when a child arrived at school and said it was "the perfect start to Sports Day!" We could not agree more. Thank you to all the children, parents and volunteers who help make the Bicycle Bus such a positive and enjoyable experience. We look forward to welcoming even more riders in the weeks ahead and continuing to grow our cycling community.

News

Bread Making

Year 2 enthusiastically took part in bread making as part of their Dimensions curriculum. Children particularly enjoyed the kneading stage, although they quickly discovered just how messy baking can be! After their hard work, they were delighted to taste the delicious finished loaves.

SEND Coffee Morning and Info Session

Thank you to the parents and carers who attended our SEND Coffee Morning and Information Session on Wednesday. It was a wonderful opportunity to share information about our SEND provision, discuss the support available for children and families, and strengthen our partnership with parents.

We were delighted to welcome Joanna Burden from SEND Supported, who provided valuable insight into children's needs and the assessment process. Thank you to those who joined us for an informative and supportive morning.

Class News

Keep up-to-date with all the wonderful things going on in classes, by checking-in on the Class Pages section of our website. Here you will find key information, knowledge organisers and photos of recent learning experiences.

News

Water Play Fun!

Reception children demonstrated fantastic teamwork during a recent water play activity, where they worked together to create a river. As well as having lots of fun and keeping cool in the warm weather, the children developed their communication, problem-solving and collaborative skills. It was wonderful to see so much learning taking place through play!

Heatwave

As we come to the end of a very hot week, we wanted to say how incredibly proud we are of our whole Bridgetown School community. Our children have shown fantastic resilience, our staff have gone above and beyond with their flexibility, and our families have been wonderfully supportive throughout. Together, we have adapted, kept smiling and made the best of a challenging few days. A huge thank you to everyone for playing their part. It is safe to say we are all looking forward to the cooler weather that next week will bring!

INFORMATION

Help your child build future-ready digital skills in a fun and creative way.

At our Jam Coding Tech Camp your child will spend their time exploring coding, robotics, stop-motion animation and hands-on creative projects, balanced with plenty of off-screen games, teamwork and supervised play.

They'll learn new skills, build confidence and make new friends... all while having so much fun they'll hardly realise they're learning.

Scan the QR code to see the full program and secure your child's place. Spaces are limited.

AUTUMN TERM COOKERY CLUB IS COMING!

Bayleaf Cookery Club will be back for the autumn term on Fridays at Bridgetown Primary and we're enrolling now!

We'll be making a delicious set of recipes, with highlights including:

- Ginger Shortbread
- Veggie Toad in the Hole
- Blackberry & Coconut Squares
- Baked Samosas
- Winter Berry Trifle
- Spanakopita
- Toffee Apple Cake

The club is open to children in years 1-6 (current Reception to Year 5) and will run on Fridays from 3:15-4:15pm. The cost is £9.85 per week, plus £7.35 for an optional, personalised folder to keep the recipe cards in (for those who don't already have one). Everything is provided - ingredients, equipment, aprons and recipe cards - all you have to do is sign up, turn up and have fun!

If your child would like to join us at Bayleaf Cookery Club next term just click [here](#) and follow the instructions to book your place.

If you encounter any problems signing up or if you have any questions, please contact Nikki on 07792742377

SAFE PARKING REMINDER

Please park safely and
considerately around
our school.

Keep our children
safe – park away
from the school gate
and zig zags.

Do not park on
yellow lines,
dropped kerbs or
driveways.

Please drive
slowly and
carefully – children
are hard to see.

Be respectful of
our neighbours
and keep noise
to a minimum.

Thank you for helping to
keep our school community safe!
