Ready, Respectful, Safe

2 October 2026

### Headteacher's Message

Dear Parents and Carers,

I hope you have had a great week. I would like to start by giving a reminder of our warm invite to all parents and carers to our Parent Forum on Wednesday 14 October at 6pm.

This is an important opportunity for us to come together as a school community, meet the leadership team, and to hear about the school's priorities for the year ahead. We will talk about the areas that matter most to our children, and how we can work together to ensure every child is able to thrive.

Your partnership and support make a real difference to our children and to the wider school community and I very much hope to see you there.

I would also like to draw your attention to the poster on the following page, inviting nominations for Associate Governors. Although we have a full complement of appointed Governors, we are always keen to hear from individuals who may be able to bring additional skills, knowledge and experience to complement the Board's work.

If you are interested in becoming an Associate Governor, or would like to find out more about the role, please do get in touch. We would be delighted to hear from you.

Best wishes,

Mark Szortowski  
Headteacher

### The Power of Storytelling

As part of our enrichment offer, we were delighted to welcome 'Creeping Toad' into school last week, who undertook two full days of workshops promoting the Power of Storytelling. They were thoroughly enjoyed!

### Holy Trinity Church Visitor

Year 3 invited Phil Harper, who is the children and families Minister at Holy Trinity Church, to come in and talk to them about their current topic **'Why are nature and the seasons significant for religion and worldviews?'** They asked him questions about how nature and the seasons feature in his worldview and how they are important to him and his faith as a Christian. He talked about the upcoming event of Harvest at the church and how the food that is donated help those people who really need it. He also shared his love of the different seasons and how each one brings something new to celebrate and appreciate.

### A Fantastic Day for Year 6

Well done to our Year 6 pupils on a brilliant day of bell boating! They learned how to use the paddles effectively, worked together as a team to navigate the river, and even mastered moving safely through the locks. It was certainly tiring, but there was plenty of laughter, teamwork and fun along the way! A huge thank you to all the staff and volunteers who gave their time, energy and support to make this such a memorable trip for our children. We really appreciate you!

### Times Tables Rock Stars and NumBots

Our first **Battle of the Bands** begins on **Friday 2 October** for KS2 and will run for two weeks! Classes will compete to see who can earn the most points by practising their times tables on Times Tables Rock Stars. Please check that your child has their login

details in their reading diary or homework book and encourage them to practise before the competition begins. We will also be celebrating children who log in regularly and make a fantastic effort. Our **KS1 children** can join the fun by logging in to **NumBots**. NumBots uses engaging games and challenges to help children develop their number recognition, counting, addition and subtraction skills. KS1 parents should also check that their child has their login details and can access their account at home. Happy calculating and good luck to all our budding maths rock stars!

### Have you heard about Autism Central?

Autism Central is a free, NHS-funded service for families and support networks of autistic people of all ages across England. Developed and delivered by people with lived experience of autism, it provides practical information, peer support and opportunities to connect with others.

Families and supporters can:

- Book free one-to-one coaching with a peer guide for practical guidance and signposting
- Join online group learning events, meet-ups and reflective sessions
- Access useful resources, blogs, podcasts and animations
- Sign up for the monthly newsletter
- Learn and connect with others who understand the experiences families may be navigating

Whether you're looking for information, practical guidance or an opportunity to connect with others, Autism Central could be a helpful place to start.

### European Day of Languages

On Friday 25 September, we celebrated the European Day of Languages, which takes place each year on 26 September. Classes took part in the British Council's interactive 'Let's Talk About Languages' activity, exploring different languages in a fun and engaging way.

The activity gave children the opportunity to listen to and practise words from different languages by clicking on the sound buttons. It was a fantastic, inclusive way to get children enthusiastic about languages and to celebrate the many different languages and cultures represented within our Bridgetown school community.

A particular highlight was seeing the children's enthusiasm as they discovered how familiar words can sound very different in other languages. It was a great opportunity for our children with English as an additional language to share and celebrate their own languages too. Thank you to all the classes for getting involved and helping us celebrate the wonderful diversity of languages in our school!

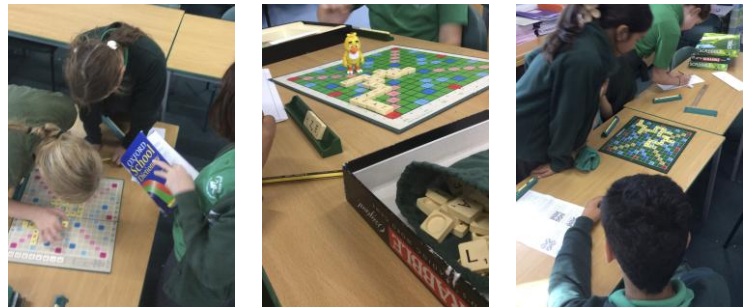

### Applications for Secondary School

The deadline for 2027 Secondary School places is 31st October 2026. All applications received by the deadline of 31st October 2026 will receive the details of their school place on 1st March next year, which is National Offer Day. Any applications submitted after the deadline will only be considered after this, meaning your child is much less likely to be given a place at a preferred school. Applications should be made online at:

<https://www.warwickshire.gov.uk/homepage/422/applying-for-a-secondary-school-place>

### Scrabble Club

We are delighted to offer a wide range of extra-curricular activities for our children. One particularly popular addition this year has been our Scrabble Club, where the children have been having fun developing their vocabulary, spelling and strategic thinking skills. It has been wonderful to see the enthusiasm and enjoyment of the pupils.

# Curriculum Conversations

## Talk Together at Home

One of the best ways to help children remember and deepen their learning is simply to talk about it. Research shows that when children explain their thinking, retrieve what they have learned and discuss different viewpoints, their understanding becomes stronger and longer lasting. This fortnight, try these conversation starters at home. They are designed to help children **remember, explain** and **think like an expert**.

Can you remember...?

Can you explain...?

What do you think...?

Personal Development

Simple conversations to help your child grow into a confident, kind and safe individual.

# SAFE PARKING REMINDER

Please park safely and  
considerately around  
our school.

Keep our children  
safe – park away  
from the school gate  
and zig zags.

Do not park on  
yellow lines,  
dropped kerbs or  
driveways.

Please drive  
slowly and  
carefully – children  
are hard to see.

Be respectful of  
our neighbours  
and keep noise  
to a minimum.

Thank you for helping to  
keep our school community safe!

The poster has a dark purple background with Halloween-themed decorations. At the top left is a white spiderweb, and at the top right is a black spider. A black bat is flying in the center. The title 'ArtBase' is in large, colorful, blocky letters. Below it, 'HALF-TERM WORKSHOPS' is written in blue, stylized letters. A row of four square art pieces follows: a grey bat-like creature, a chihuahua puppy, a bear sitting on a rock, and a frog wearing a witch's hat and sitting on a pumpkin. At the bottom, the dates 'Monday 26th-Thursdays 29th October' and the school name 'Bridgetown Primary School' are listed. The website 'art-base.co.uk' is at the bottom left, and a white ghost icon is at the bottom right. Yellow and black paint splatters are scattered at the bottom.

# Harvest Festival

**Dear families,**

Harvest is a time when we think about the food we enjoy and the people who help grow, make, and share it. It's also a moment to remember that not everyone has the same amount, and that sharing what we can helps our whole community stay strong. The local foodbank supports families who may be finding things tough.

When we join in with Harvest giving, we help make sure everyone has what they need, and that no one feels left out. On the back of this letter, you'll find ways your family can support the foodbank this Harvest.

# Give Food

Our shelves rely on donations from schools and the local community. This Harvest, we are especially in need of:

- **Tinned peas**
- **UHT milk**
- **Small coffees**
- **Savoury snacks**

Every donation helps ensure that someone in our community can receive the food they need with dignity.

- **Tea**
- **Custard**
- **Rice pudding**
- **Instant mash**

If your school is running a Harvest collection, they'll let you know when to bring your item in.

# Give Financially

Financial gifts help us purchase essential items when stocks run low and enable us to continue supporting people beyond food through our Support Beyond Food service and hub at Masons Road. Whether it's a one-off gift or a regular monthly donation, it all makes a lasting difference.
